EXPERIENCE

Zoo Health Club | *Daycare Leader* | Goffstown, New Hampshire   Sep 2022 – Aug 2024
- Greeted visitors, built rapport with members, and provided customer support, contributing to member retention.
- Managed member check-ins, communicated upcoming events, and signed members up for memberships
- Provided attentive care for children of various ages, ensuring a safe and stimulating environment for learning and play.

One Church | *Production Assistant* | Bedford, New Hampshire   Nov 2022 - Aug 2024
- Collaborated with a team of camera operators and switchers to broadcast live worship services to in-person and online audiences.
- Conducted post-service reviews with the team to refine production quality, working toward a more professional broadcast experience.

LEADERSHIP

Student Council | *Senior Class President* | Goffstown, New Hampshire   Aug 2023 – June 2024
- Coordinated with class advisors to create agendas and led class meetings focused on event planning and logistics for the senior class.
- Collaborated with student council committees to plan school-wide events and community outreach initiatives.
- Served as one of three emcees for school assemblies, writing scripts, hosting, and ensuring that participants were organized, on schedule, and prepared for their roles.

Senior Assassins Coordinator | Goffstown, New Hampshire   April 2024 - June 2024
- Organized and managed a game involving over 120 participants, coordinating weekly targets, eliminations, and team progress through detailed spreadsheet tracking.
- Managed game finances, ensuring accurate participant contributions and prize allocation.
- Acted as the primary referee, handling disputes and maintaining the integrity of the game for 12-14 hours a day until the game concluded.
- Ran a dedicated Instagram page with several hundred followers, providing real-time updates and maintaining player engagement.

Goffstown High School | *Academic Tutor* | Goffstown, New Hampshire   Sep 2022 - April 2024
- Tutored students in mathematics and science, providing personalized support to strengthen academic foundations.
- Coordinated with school staff to identify students in need of assistance, developing individualized study plans to ensure academic success.
